OFFICE OF THE CHIEF ENGINEER

The Chief Engineer of Mysore,
Public Works Department,
Bangalore,

Date 9th March 1943.

To

The Secretary to Government,
Law Department,
Bangalore

Sir

Subject :Polepalli Subbiah Setty's Choultry and students Free Boarding Home, Cottonpet,Bangalore City

I have the honor to forward herewith an application dated 24 2 1943 received from B Subbiah Setti, L M P ,Trustee and Proprietor of the above Institution requesting that a greater quantity of free water be granted to the Institution in view of a Free Hostel and a Temple having been located therein

2 The Executive Engineer, Water Supply Division, who inspected the premises is of opinion that the concessions shown to the temples and hostels in the City may be extended to those located in this institution also A letter No 940 dated 26 2 43 received from the Executive Engineer, Water Supply Division, which explains the matters clearly is enclosed in original for perusal and kind return

3 Considering that the hostel maintains and helps thirty orphan students to prosecute their studies in the High School and College classes and that in the premises, is located a temple to which the Citizens and the pilgrims, residing in the Choultry resort daily,the prayers of the trustee for concessions richly deserves consideration I request that approval of Government may kindly be conveyed to grant the following concessions to the institution with effect from February 1940,when the meter was installed to the service

(i) As per rule 82 a free allowance of 12½ gallons per student per day be allowed, the strength of the hostel being furnished by the Trustee every quarter

(ii) The free allowance of 10,000 gallons now given to the Choultry be continued

"W" (iii) As per rule 80(a) and G O No L 8034/ML-86-40-10 dated 10 5 41, the water used for the temple proper (quantity to be determined by a seperate meter) to be installed for this purpose be allowed free

(iv) 1,500 gallons be allowed free to the ten flush latrines constructed in the premises and

(v) that all water in excess of those referred to above be charged at 0-8-0 per 1,000 gallons

P T O

I request that orders of Government on the above recommendations kindly be communicated early so that the question of the payment of arrears may be settled

I have the honor to be,
Sir,
Your most obedient servant,
